Welcome to the 2010 PTA Workshop! The Pinellas County Council PTA (PCCPTA) and Pinellas County Schools' Communications Department have partnered to provide this informative workshop.

- We intend this 2010 PTA Workshop to offer training and educational opportunities for Parent Teacher/Student Associations (PTA/PTSA), School Advisory Councils (SAC), Outside School Organizations (OSOs, including Booster Clubs) and school administrators.
- We are focusing workshop sessions on topics that are important and relevant.
- We believe that the involvement of families and community members is vital to the implementation of school improvement plans. Education takes all of us working together.
- We urge you to send a team representing the various groups from your school.
- We know you will enjoy the "Vendor Walk" and program tables.
- **Mandatory** – The insurance class is a requirement for insurance participation. Additionally, two PCCPTA general meetings and one sanctioned Advocacy training or event are also required.
